

# Cuvée Fleur en Vignes

**Region:** Gironde, France

**Varietal Composition:** Cabernet

**Appellation:** AOC Côtes de Bordeaux (Controlled Designation of Origin)

**Appearance:** Light ruby garnet with a fluid rim.

**Palate:** Full-bodied with an enthusiastic texture. Flavors of light wild strawberry. Smooth and supple tannins. Smooth tannins fruit finish.

## Technical Details

- **Alcohol:** 12% ABV
- **Tank Aging:** Aged for 10 months in tank and 6 months in bottles before being sold adding stability to the fruit.

**Soil Type:** Sandy-clay soils contributing to light tannins and harmony.

**Harvest:** Mechanical harvest at young ripeness in mid-September.

**Winemaking Process:** Cold soak before fermentation to stabilize the fruit's quality.

Between 10 and 15 days. Traditional winemaking.
